(405) 744-0401 or robin.starr.williams@okstate.edu
Please return your completed interest sheet to ICAE 009 Classroom Building
If you require an accommodation due to a disability, email the program contact person.
Short answer questions: The following questions will help us understand your concerns and prior background before coming to Oklahoma State University. This will ensure that we are serving you and matching you to the right NARELP mentor/mentee.

Prior to coming to OSU (or since you have been at OSU) what type of involvement have you had with the Native American community. If none, please explain your interest in getting involved at the OSU campus:

______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________

Upon your arrival (or since your arrival) to OSU what are your concerns or any barriers that may prevent you from being successful?

______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________

How could you benefit from being involved in a program like NARELP?

______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________
______________________________________________________________________________________
